

waterfront estate, a hotel and marina, a winery and vineyard, or a small cottage in the woods, Demetriou does it all with style. *Kirkland*

KITCHEN + BATH DESIGNER

WENDY ALBEE

Wendy Albee, founder of Albee Interior Design, uses her background in fine art to thoughtfully design spaces for the way Eastsiders live and work. Not only has Albee left her mark on homes across the region, but she also works on commercial projects ranging from clubhouses, to restaurants, to executive offices. *Bothell*

LANDSCAPER

EVANS CREEK NURSERY

The founding principle of Evans Creek is “making the world a better place, one garden at a time.” With services to improve pathways, patios, walls, lighting, decks, water features, and more, we can see how a tranquil garden courtesy of Evans Creek could do just that. *Sammamish*

APPLIANCE STORE

ALBERT LEE

Whether you are building your dream kitchen or making over your laundry room, there’s no better place than Albert

INTERIOR DESIGNER

Genay Bell Interior Design

Genay Bell’s childhood was spent designing homes for her Barbie dolls instead of playing with the dolls themselves, and in college she painted her kitchen cabinets bright yellow. Today, Bell uses that same sunny personality, passion, and creativity to design stylish environments for her clients across the region. *Snohomish*
